Confirmation of participation

Everyone has confirmed they can attend--yay!

What this means:

• At least 2 members from your startup must attend and pitch, sharing pitching duties (and up to 4 members)

• Only current or very-recently graduated students may participate in the pitches

• At least one of those students must be a graduate-level student

• Teams needs to stay for the entire event: Thursday, May 11 at Noon through Saturday, May 13 at 9:00 pm (after the Awards Party)

If this is an issue, let me know ASAP.

Thank you for all your questions!

35+ prizes with total value of over $1 million

All competing startups get a minimum of $800 prize

Startups are judged on their investment potential—where an investor would put their money

The next 5 weeks

• Explore EFN Mentoring program – 5 weeks of free mentoring
• Practice your pitches – check the RBPC website for past competition videos from the EPC and Finals
• Prep your “deliverables”: business plan, 15-minute investor pitch, 60-second elevator pitch and showcase table items; full list is under Competitor Resources -> What to bring to the RBPC
• Read the Competition Rules and Format and What to Expect docs
• Check the list of questions judges frequently ask (WtE doc):
  o they love to ask about IP or unique selling prop
  o they want to know your raise (don’t say you aren’t raising funds)
• Book hotel by April 21 (you don’t have to stay there, but a shuttle to and from campus will be available)
• Let everyone know you are coming to the RBPC!!! #RBPC23
Communication – Stay in Touch!

• There are more updates and reminders to come, but . . .
• I aim to send only one weekly email on Thursday afternoons – please look for it
• Weekly email will come to your team members who are listed in the application
• I will communicate to you mostly by email, but by text if I need an answer quickly
• You can contact me anytime by email or phone
• You all have a LOT going on, but please make a little space for the RBPC
